

# ST. GERMAIN

---

*"IN THE CENTER OF IT ALL" Wisconsin*

Dear Exhibitor:

We would like to take this opportunity to thank you for your past participation in our craft shows or to welcome you if you are new to our shows! We are currently booking our 2008 event season. An application for our craft shows has been included herein. Spaces are assigned on a first come basis, so if you are looking for that special spot, don't delay!

You may notice we have added a new show for 2008, "Walk in the Woods Art Fair". Please know that we are striving to present a higher quality of show, and selection for this particular event will be more juried than our craft fairs. To this end, we will accept only Fine Art while attempting to enforce a higher standard of quality.

We have increased the size of the spaces for the November Christmas Bazaar from 6x10 to 10x10. The entry fee has also been dropped from \$60 to \$50. We hope that this will encourage past and future vendors to participate in this event!

We are asking for photos of exhibitor work in progress and finished product for all events. Even if you have participated in past shows you will still need to send updated photos. Space will **NOT** be reserved until we receive these photos. Please make sure that these photos are included when you submit your application to avoid delays and possible loss of your favorite space(s). Please know that anyone found selling merchandise that we determine is not hand crafted by the exhibitor will be asked to leave the show. No refunds will be given in this instance; so please be straight forward on your application and avoid this unpleasant situation!

We will not tolerate any foul language or harassing behavior. If anyone chooses not to abide by this rule they will immediately be removed from the grounds and participation in future events will be prohibited.

Effective for all 2008 Outdoor Shows: We will not allow **ANY** vendor, unless handicap plates are present, to park their vehicle on the same grounds where the booths are set up. We have received a number of comments from our attendees on how this affects the shows appearance and traffic flow. There is ample parking close by designated specifically for vendors. You may park at your spot while loading and unloading **ONLY**. During show hours you must park in the designated area. There will be no exceptions! By town ordinance, there is no overnight parking allowed.

We have also set a deadline for applications for each show. You will be charged a \$10.00 fee if we receive your application after the deadline. There are no exceptions to this.

Please note that if you indicate an email address on your registration, confirmation of your payment, space and exhibitor guidelines will be sent to your email.

We look forward to having you as an exhibitor in our show(s) in 2008!!

Sincerely,

Anne Small  
Special Events/Public Relations Coordinator
